Potent Regeneration Potential

Stem Cell Injection (1 joint) – \$5,500

Stem Cell Injection (2 joints) – \$8,000

Platelet-Rich Plasma (PRP)

Using the proprietary Angel® Concentrated Platelet-Rich Plasma (cPRP) System, PRP therapy utilizes your own blood to deliver concentrated growth factors that support your body's natural repair processes.

PRP – Elbow – \$600

PRP – Shoulder, Knee, or Hip – \$1,000

Add PRP for a Second Joint – \$250

Follow-up PRP Session (Elbow) – \$500

Follow-up PRP Session (Shoulder, Knee, or Hip) – \$800

*The above products and procedures, separately or in combination, are not approved by the FDA to diagnose, treat, cure, or prevent any disease. Results may vary. All procedures are considered investigational.

PHYSIOregenix

Calm and Soothing Potential

Ideal for patients not eligible for PRP therapy. These injections contain amniotic fluid and placental tissue, naturally rich in hyaluronic acid and growth factors that may support joint comfort and smooth mobility.

Structural Tissue Allograft w/ Amniotic Fluid (Single Injection) – \$1,475

Structural Tissue Allograft w/ Amniotic Fluid (Three-Series Package) – \$2,950

Sustained Acoustic Medicine (SAM) Treatments

A perfect non-invasive option for knee and back pain, SAM® 2.0 delivers continuous ultrasound for accelerated healing. Clinically proven to reduce arthritis pain by 40–70% and decrease opioid usage while improving quality of life.

30-Day Treatment Plan – \$1,500

60-Day Treatment Plan – \$2,500

(1) Sustained Acoustic Medicine Combined with a Diclofenac Ultrasound Coupling Patch for the Rapid Symptomatic Relief of Knee Osteoarthritis: Multi-Site Clinical Efficacy Study. *Open Orthop J.* 2020 Dec 18;14:176–185

(2) Low-Intensity Continuous Ultrasound for the Symptomatic Treatment of Upper Shoulder and Neck Pain: A Randomized, Double-Blind Placebo-Controlled Clinical Trial. *J Pain Res.* 2020 Jun 2;13:1277–1287

*The above products and procedures, separately or in combination, are not approved by the FDA to diagnose, treat, cure, or prevent any disease. Results may vary. All procedures are considered investigational.

PHYSIOregenix

Integrated Regeneration Packages

All packages include the option of a follow-up stem cell injection within 3–6 months at half price.

Perfect Combo Package – \$6,000

Stem Cell + PRP for shoulder, knee, or hip. PRP primes the stem cells, which may promote regeneration and collagen production for a possible fast recovery.

Trifecta Package – \$7,000

Stem Cell + PRP + Structural Tissue Allograft with amniotic fluid for added lubrication.

Deluxe Package – \$8,000

Stem Cell + PRP + Structural Tissue Allograft with 30 days of SAM Treatments.
